DEDICATION

The 1979 Lamp staff is proud to dedicate this yearbook to Mrs. Mary Ann Miklos. As an English teacher of ten years at Berlin High School, Mrs. Miklos has devoted her time to both her teaching and several clubs and organizations at the school. She has unselfishly contributed her time and energy towards advising the Lamp staff in creating this publication, and her constant devotion to her work is an inspiration to all who know her. May this dedication be indicative of our appreciation of her outstanding efforts.

Berlin High School takes great pride in itself and its surroundings. Since 1936 both the American flag and the Connecticut State flag have been raised daily.

TRADITION

The senior courtyard has long provided a place for seniors to relax and socialize among themselves. Many can be seen studying beneath the spring sun or enjoying their lunch outdoors. The courtyard is one senior privilege which has always been appreciated.

In 1976 an addition and many renovations altered the appearance of Berlin High School. A new spectator gym and a media center highlight the change and are now in constant use by the entire student body.

In the early morning the parking lot fills as both students and faculty begin another day.

The Berlin High class ring has changed much over the years. The ring is available in many different styles and with various types of stones; however, the lamp insignia is still the most popular. Each class orders their rings as sophomores and receives them as juniors.

The main office produces notices and announcements en masse which are posted throughout the building. The weekly menu is always of interest to both students and faculty

Be they seniors or underclassmen, deserving students are awarded many honors at year's end. The trophy displays are proof that Berlin High School has graduated many capable students throughout the years.

Student publications include the school's newspaper and yearbook. Although both may vary from year to year, they always provide enjoyment for the entire student body.

The Homecoming ceremonies annually highlight the fall sports season. The Homecoming Queen and her court are chosen by popular student vote and are honored during halftime of the Homecoming football game. That same evening many couples enjoy the semi-formal Homecoming Dance.

Every class and organization devotes a great deal of time and energy to fund-raising activities. Magazine drives, car washes, dances and candy sales are just a few of the successful money makers.

Every year the National Honor Society inducts many qualified students. At the induction ceremony each student adds his or her name to the register

Always eagerly anticipated are the Junior and Senior Proms. Dinner, dancing and the promise of an enjoyable evening attract many students. The fine music and the elegant settings insure a memorable occasion for all.

Art

In the past ten years, the Art Department has seen a major expansion of its program which was made possible through new facilities. The new addition to the high school building provided well equipped rooms to house the department and its students.

The major goal of the Art Department is to promote the presence and to stress the importance of art in man's environment. One means for promoting this awareness is the course offering of Humanities, an interdisciplinary course taught in conjunction with the English Department. Other art offerings focus on special mediums such as ceramics, oil painting, jewelry and crafts.

Business

Keeping up with the business world, the Business Department is constantly changing both machines and teaching methods. Office practice sets have just been added, and the curriculum has been revised to allow business students to take more courses in this area. The students learn their constitutional rights and the practical aspects of law in Business Law, a popular half year course.

Through D.E.C.A. and the school store, students gain "hands on" experience in running their own business. This worthwhile endeavor is advised by Business Department members and supervised by Miss Czarnecki.

English

In order to broaden student backgrounds as well as to allow for more in-depth study of special areas, the English Department has undergone numerous curriculum changes. Four years ago the department changed from the traditional four years of English to junior and senior electives in English.

The English Department is well diversified, the teachers possessing varied backgrounds and interests. These teachers are involved in everything from advising the yearbook and school newspaper to coaching the volleyball team and field hockey team.

This year has been a personally productive year in the English Department with Mrs. Colaia-cavo, Mrs. Wotring, and Mrs. Miklos all having left to start families.

Music

The Music Department has expanded greatly in the past several years; more than one-quarter of the student body is enrolled in at least one music course. Band and Chorus have become credit courses and are held during the school day. But any band member who attends the numerous football games, Tuesday night rehearsals, and concerts will testify to the fact that band requires more of a commitment than simply going to scheduled classes.

In order to widen its appeal to all students, the Department has added such courses as Rock Music and Electronic Music I and II. These course offerings were made possible by new studios and equipment acquired during the building of the school's addition.

Science

New equipment and teachers have changed the face of the Science Department. All lab courses now have specifically scheduled lab periods instead of using class time. PSSC Physics students marveled at the quality of their sophisticated lab equipment.

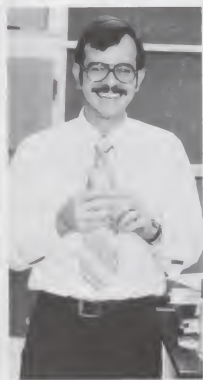

Science teachers are constantly improving the department with the addition of new courses and textbooks. Horticulture classes maintained a flourishing garden in Junior Court while caring for their plants in the greenhouse. Students in Aviation and Aeronautics, a popular new elective, recently visited a nearby airport and were taken up in a plane and shown the airport's facilities.

Foreign Languages

The Foreign Language Department has undergone important changes in both faculty and curriculum. Miss Elizabeth McBrien, Latin and French teacher, retired in spring of 1977 after many years of service to Berlin High School.

In addition to offering basic language courses, the Department now offers half year courses to stimulate an interest in foreign languages in students who do not need college preparatory language but desire a working knowledge of another language for travel or career use. The Foreign Language Department has also held fund raisers for special events and field trips to promote foreign cultural awareness and heritage.

Physical Education

Within the past few years, significant changes have taken place in the Physical Education Department. Four years of required Physical Education was changed to two years of basic Physical Education plus junior and senior elective courses both in individual and team sports.

The electives range from lacrosse to table tennis to social dancing. The overall effect of the change in Physical Education is that it now allows students to concentrate on sports in which they are interested and skilled. Very large classes and a lack of space have always been a problem for this department. Until the acquisition of more land, students will have to accept such interruptions as an occasional golf ball flying through their softball game.

Mathematics

The Math Department has greatly expanded its program in the past four years with the arrival of the new computer system which is used for both daily attendance and report cards. Intricate programs were developed by Department Head, Miss Peterson, Mr. Bates, and advanced math students so that the school runs smoothly with the computer's assistance. Many members of the department's faculty devote much of their time to activities such as running the computer system, advising the Math Team, and coaching sports such as football and wrestling. More advanced courses in mathematics and a new introductory computer course designed to expose even more students to computers are being planned.

Social Studies

Social Studies continues to be a popular area of study with nine hundred students enrolled in the eleven course offerings. The two courses in greatest demand are the American History course and Ancient and Medieval History, taught by Mr. Goodrow. Many freshmen quickly learn the art of taking notes in this course which is now held in a lecture room due to its heavy enrollment.

The traditional history curriculum has been augmented by such social science electives as Sociology, Modern International Relations and The Nature of Oriental Civilization. Marriage: A Lifestyle, a popular senior elective, explores such critical areas as family planning, budgets, child raising, divorce, retirement and death.

By offering such a wide range of courses, the Social Studies Department helps Berlin High students prepare not only for future course work but for life after high school.

Industrial Arts

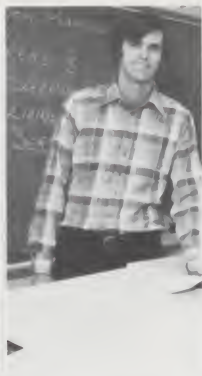

The Industrial Arts Department received a major boost when it moved into the new addition, complete with modern machinery and equipment which made possible several new areas of study. Curriculum expanded from basic courses such as Wood, Metal, Printing and Drafting to more advanced courses, including Plastics, Photography and Power courses. In the Power course, students learn the importance of a clean shop and often are late to the next class due to their cleanliness. While learning the art of film developing, Photography students also learn of the corrosive power of developing liquids. A record number of students are now enrolled in Industrial Arts electives.

Home Economics

Cooking for a crowd has become the most popular new class in the Home Economics department in the past few years, not only to the students in the class, but to the entire school as well. On different afternoons, this successful class prepares lunch for many hungry students.

Numerous classes in this department are flexible half year courses, thus encouraging more student participation. Although the classes in this department have always been open to boys, it has been only within the past years that a significant number of boys have taken Home Economics courses, mainly the cooking classes, the Interior Design class, and the Child Development class.

FOOTBALL

For the second time in the three years that Mr. Pelligrinelli has been head coach, the Berlin Redcoat Varsity football team has brought home a share of the Northwest Conference Title. Under the leadership of Tim Forsyth, Bob Facey, Frank Sataline, and Aldo Zovich, this year's team compiled an overall record of 6-4 and a conference mark of 4-1, which was good enough to tie them with the Farmington Indians.

The game that will be remembered by this year's Redcoats will be the clash with arch rival Farmington whose only loss was handed to them by the Redcoats. This was the turning point of the season after which Berlin rolled up five consecutive victories.

VOLLEYBALL

The Volleyball team completed its season with a 4-12 record under the coaching of Mr. Doug Bond, a new English teacher at Berlin High. Mary Ann Perkins and JoAnn Solek lead the team as co-captains of the varsity team, and Cara Quedens was chosen captain of the junior varsity team.

FIELD HOCKEY

The 1978 Girls' Field Hockey team completed their season with a 1-7-7 record. Under the coaching of Miss Arnold, the girls secured one victory over Stafford. Throughout the season Daryl Coburn, Karen Davis, and Cindy Misteri contributed to a solid defensive unit. On the offensive line freshman Nancy Wetmore was high scorer with seven goals. Seniors Darlene Miller and Shari Varrichio had strong seasons and helped gain a record breaking seven ties. At the Fall Sports Banquet, Karen Davis was awarded the Coaches Award and Cindy Misteri was awarded the Redcoat Award.

CROSS COUNTRY

The six member cross country team worked a long and hard season. Captain Kris Scheer led the team and urged his men on. In spite of the strong team spirit, the team lost many of its meets by just a few points. A new course at Sage Park was a great encouragement to the team which was continually frustrated by competing against teams that greatly outnumbered the small group. Coach Pasco worked hard with his men and was very proud of their spirit and dedication.

BOYS' BASKETBALL

Under head coach George Hall, the 1978-79 Boys' Basketball team compiled a 7-13 record for the 1978-79 season. Despite nine consecutive losses, the team managed a turn about at the season's end and were victorious over Wilcox Tech, Avon, Pulaski and Gilbert. The young team was led by co-captains John Precourt and John Steurer

Highlighting the Redcoats season was the 90-95 loss to the Saints of Aquinas. Although down by twenty-two points at the half, the undaunted Redcoats, behind the 26 point effort of Dan Doyle, closed in on the Saints. Spectators were awed by Aquinas All-American Rod Foster, but the Redcoats' performance demanded equal attention

GIRLS' BASKETBALL

The 1978-79 Girls' Basketball team finished their season with a 15-5 record. Under the fine coaching of first year mentor Doug Bond, the team finished an impressive second in the Northwest Conference and qualified for the state tournament.

After three consecutive mid-season losses, the team defeated archival Middletown by a score of 31-29. Led by captain Lisa Conti, this important Northwest Conference assault gave the team the momentum to win the following eleven games.

WRESTLING

Improving with experience, the wrestling team in their third year placed second in the Northwest Conference Tournament, held on February 10, 1979. Four boys placed first in the tournament, Carlo Zovich, John Georgiadis, Aldo Zovich, and Brian Faucher. John Mezzio, Nate Krause, Brian Boscolo, Tim Forsythe, and Rich Zovich placed second, and Barry Bickley placed third in the tournament. Captained by Aldo Zovich and Tim Forsythe, the wrestling team ended a fine season with a 15-3 record.

GYMNASTICS

The girls gymnastics team completed an enjoyable first year with a very respectable 4-7 record. Coach Frank DeFrancesco and Captain Laurie Kropf led 14 first year members to victories over New Britain, New London, Portland, and Hartford Public High Schools. The team was paced by junior Joleen Polanski who had an excellent score of 6.0 on the uneven parallel bars and an impressive 5.8 on the balance beam to record the high scores for the team in those events. Miss Polanski also won Berlin High School's only gold medal at the conference meet, winning the medal on the bars. The team lost only one gymnast to graduation and is looking to improve on its record next year.

REDCOAT BAND

The 1978-79 one hundred forty member band is the largest band in the school's history. This year the band has not only performed at all home and away football games but also has traveled extensively to perform. In September, the band was one of the three high school bands invited to play at the Eastern States Exposition in Springfield, Massachusetts, on Connecticut Day. The Redcoats played on the village green and led the parade as the honor band for the sixth time in seven years. Later in the fall the band traveled to Greenwich to participate in a marching band festival with five of Connecticut's top high school groups. In the spring the band played in the Cherry Blossom Festival parade in Washington, D.C. Only fifty bands in the country were chosen for this event. A successful year for the Redcoat Band ended with their traditional performances in the local Memorial Day and Fireman's Bazaar parades.

The Drill Team began as the "Dance and Drill Team" and consisted of fifteen girls. The Color Guard began with seven members but has recently expanded to a nine-member group. Recently the Drill Team and Color Guard have been performing not only at home football games but also at away football games and home basketball games.

CHEERLEADERS

Since 1935 cheerleaders have been supporting the various athletic teams of Berlin High School. This year the varsity cheerleaders cheered during the varsity football and basketball games, while the junior varsity squad cheered at junior varsity and freshmen home football games and junior varsity basketball games.

In addition to cheering, the cheerleaders are responsible for planning and overseeing Spirit Week, which includes a motorcade, pep rally, and spirit dance. Other activities this year included a fund-raising car wash and a pancake breakfast for team members and coaches of winter sports.

One of Berlin High School's strongest traditions is Spirit Week, designed to honor the fall sports teams of football, volleyball, cross country, and field hockey. During the week all four classes decorated a school hallway to show their school spirit. At the end of the week hallway decorations were judged by faculty members. The classes' school spirit was further measured by their participation in a motorcade and Pep Rally. This year the senior class carried away the Spirit Trophy.

ORIENTATION

Berlin High School's long standing and highly debated Freshmen Orientation was held for one day this year. The day began with senior Big Brothers and Sisters treating freshmen Little Brothers and Sisters to an early breakfast. The school day passed quickly with freshmen, dressed in T-shirts and diapers, performing a variety of silly plays for the seniors. Freshmen could be heard singing school songs and seen dancing the can-can in senior court throughout the day. Orientation was concluded with Senior Court. Chief Surgeon Mark Grasso and Head Nurse Karen Stifel led the crazy operations of the doctors and nurses at Senior Court.

Sponsored by the Berlin High School Student Council, the 1978 Homecoming was held on November 11, 1978. Debbie Berger reigned as Homecoming Queen, and her court included Senior Attendant Leslie Young, Junior Attendant Jill Parsons, Sophomore Attendant Sue Kristopik, and Freshman Attendant Kelly Lamb. The queen and her court were honored at a half-time ceremony during the Homecoming game and at a semi-formal dance featuring the band "Coalition."

The Student Council, which has been an integral part of Berlin High School since 1936, is a representative group of students from each class. Elected by the student body, the Council members help effect changes in school policies. The Council has been particularly active in revising both the discipline and attendance policies of the school.

BOYS SERVICE

The Boys' Service Club of Berlin High School began in 1954 as the Key Club under the sponsorship of the Berlin Kiwanis. Now school sponsored, this large organization, consisting of sophomore, junior and senior boys, is under the advisement of Mr. Sangeloty. The boys manage crowd control and sell candy and soda at home basketball games. The club's social activities consist of gym nights and card games for club members. This year's Service Club officers are President Bruce Davey, Vice-president Phil Larson, Vice-president Frank Sataline, Secretary Dave Avery, and Treasurer Gary Silver.

DECA

Three years ago a chapter of DECA, Distributive Education Club of America, was established at Berlin High School under the guidance of Miss June Czarnecki. DECA has quickly become a popular and successful student activity.

As a vocational, civic, and social organization, DECA provides its members with valuable business experience through competitions and conferences held throughout the school year. In order to finance the organization's numerous activities, fund raisers are held such as the sales of projects. As an integral part of their educational programs, DECA manages the school store.

SMOKING COMMITTEE

Six years ago a group of interested students petitioned for smoking privileges at Berlin High School. With the cooperation of the Student Council and the school administration, these students formed the Smoking Committee.

The Smoking Committee is now in charge of the control and upkeep of the designated smoking areas in the school. Under the advisement of Mr. David Matthews and the chairmanship of Liz Simeone, members are assigned periods of smoking duty when they must work to maintain the order and appearance of the smoking area.

HERO

HERO, Home Economics Related Occupations, was founded in 1977 as an extension of the Cooking for a Crowd classes. For the past two years HERO has made and sold pies for Thanksgiving, put on a dinner for the members' parents, and gone to the Culinary Show in South Windsor. This year the group held a cookie sale for Christmas, prepared a luncheon for the mayor and members of the Board of Education, and visited Johnson and Wales college in Rhode Island. Through these activities, the members of HERO have received experience in many areas of the foods aspect of Home Economics.

MEDIA CLUB

Due to the expansion of the library and media facilities, the former Library Aides have reorganized to form the Media Club of Berlin High School. These club members have undertaken the responsibility of helping faculty members and students use the many new resources available in the Media Center. Supervised by Mr. Wayne and Mrs. McMahon, the Media Club members work to improve the Media Center services.

This year the Math Team has competed against other teams in the Middlesex County. The team visited as well as hosted other schools in monthly competition. In May the team attended the Greater Middlesex Math League Banquet where individual and team trophies were awarded.

BOYS' AND GIRLS' STATE

Various town businesses and organizations sponsored junior student delegates from Berlin High School to attend Boys' and Girls' State. Organized by the American Legion and its Ladies Auxiliary, the program gives each participant the opportunity to make new friends, to better understand political institutions, and to gain knowledge of each citizen's role in the democratic form of government. Delegates were selected by the faculty and their fellow classmates on the bases of academic achievement and of leadership qualities exemplified by participation in school and community activities.

On June 18, 1978, the ten Boys' State delegates went to the Coast Guard Academy in Groton, and on June 25, 1978, three Girls' State delegates traveled to the University of Connecticut in Storrs to begin a week of government training. During the week, the delegates listened to many speeches, set up their own "mock" town and state governments, held many campaigns and elections, and attended numerous social activities.

In November, 1978, a reunion of delegates was held at the American Legion Hall in Kensington.

HOLIDAY DANCE

Formerly called the Mott Club, the Girls League is a service organization for all high school girls. This year the League has been exceptionally active. Their first service activity was making a food basket for a needy Berlin family. Other services provided by the girls included selling tickets at home basketball games, serving as waitresses, hostesses and usherettes for school activities and ceremonies, and sponsoring a school Holiday Dance. In the spring the Girls League sponsored a fashion show and card party to raise money for their scholarship. Under the direction of Mrs. Yukna, the Girls League enjoyed a very successful school year.

The Girls League sponsored its fourth annual Holiday Dance on December 9, 1978, in the high school gymnasium. This semi-formal event was very well attended. Even the early snowfall could not dampen the fun of the couples.

CHORUS

September 1978, marked the fourth year that chorus has been offered as a credit course at Berlin High School. Mr. James Bruni leads a forty-two member chorus with the help of chorus officers: President Diane Fagan, Vice-President Kim Davis, Secretary Kim Krause, Treasurer Cheryl Warren.

This year the chorus has incorporated motion and dance with song. This new technique was used at the Holiday Concert for which Mrs. Karen Whitley choreographed a sequence from *Alma* and the *Night Visitors*. Sandra Warren from Hart College, Joseph Mora from Willard, Chris McKale from Percival, Mr. Arnold Frost, Mr. Paul Karam, and Mr. James Bruni played the parts of mother, *Alma* and the Three Wise Men in the sequence.

Chorus members Bob Pritchard, Diane Fagan, Janet Stohmal, Beth Owens, and Michele Peaurall were invited to participate in the Southern Regional Festival held on February second and third, 1979. Bob Pritchard was also invited to the final All-State audition held in March.

BAND ACTIVITIES

1979 was an exciting year for the Berlin High School Redcoat Marching Band. The band sold candy, hats, and decals and accumulated a good deal of money. Just prior to Christmas, the Band Parents' club sponsored a bazaar during which hand made ornaments, toys, and home made foods were sold and over 1500 dollars was raised. March 10 brought the band's annual grinder sale, which was also a great success. With these funds and extra money made at a local toll booth set up by the band members, the band was able to travel to Washington to participate in the annual Cherry Blossom parade. Only 50 high school bands were chosen to participate in this parade, and it was a great honor for the Redcoats.

TANTARA

Tantara was formed in 1976 by several freshman musicians as a recreational project. Since then the band has gone through numerous personnel changes and has evolved into the sophisticated performing unit it is today. Tantara has performed for functions ranging from high school and college dances and parties to neighboring town festivals and company picnics. Recently the band performed two concerts to benefit handicapped and retarded children in Connecticut. In addition, the band has served as the school's pep band for the last two years and has accompanied the routines of the 1978 and 1979 Color Guards and the 1978 Drill Team.

1979 LAMP

Since 1936 Berlin High School seniors have worked to publish a yearbook recording the people and the events of the school year. This year a dedicated Lamp Staff has labored to produce an informative and interesting 1979 yearbook. Under the competent editorship of Ed Scheer and the careful supervision of Mrs. Miklos, the 28 member staff has expended numerous hours and varied talents to publish the 1979 Lamp. The Lamp editors began their work in the spring of their junior year by organizing senior formal portraits and planning the basic design and format of the book. Their work began in earnest in the fall of their senior year when they met every Wednesday afternoon to finalize ideas and assign individual responsibilities. The yearbook was completed in late March when all proof pages were corrected and returned to the company. Although the yearbook staff worked long and hard, they enjoyed the satisfaction of making a permanent contribution to the history of Berlin High School.

HONOR SOCIETY

In 1948 the Berlin Chapter of the National Honor Society, was established as an organization to recognize scholastic achievement by the students of Berlin High School. Each year in a formal ceremony the Society inducts new members from the junior and senior classes. Selected by a faculty Awards Committee, National Honor Society members must display outstanding scholarship, leadership, character, and service. An important service which the Society performs is the tutorial program for the Berlin Public School system. The Society also sponsors an annual Awards Assembly at which Berlin High School students who have qualified for four, eight, twelve, and sixteen terms on the Honor Roll are presented book awards. Under the advisement of Mr. Thomas Warburton, this year's Honor Society has 36 members.

INDUCTION

On Friday, February 2, 1979, the Berlin Chapter of the National Honor Society held its annual induction ceremony. President Kevin Sargis opened the program with a welcoming speech. Following the speech, present Honor Society members presented the Honor Roll awards.

Sixteen seniors and ten juniors were inducted into the Society. Principal Thomas Galvin administered the National Honor Society Membership oath. Each new member received a pin and certificate and signed the Honor Society Register.

Congratulatory remarks were offered by superintendent of schools Lawrence Giandomenico. Following the ceremony, a reception was held in the Media Center for members and their families and friends.

ROYAL SCAM

The Berlin High School newspaper which contains informative and satirical articles, sports news, and editorials first began as 'The Berlin Beacon' in 1936. In 1976, 'The Beacon' changed its name to 'The Royal Scam' in order to reflect its change in news-reporting style. With the name change came an increase in popularity and size. Prepared solely by students, the newspaper has expanded into a journalism elective for interested juniors and seniors. 'The Royal Scam' is published monthly under the supervision of Mrs. Tisher and Mrs. Wolf.

Freshmen

The class of 1982 began the first of their four years at Berlin High School with an outstandingly successful magazine drive which broke the school's all time sales record for fund raisers. Shortly after this drive, the freshmen elected Sebbie Malespini as class president, Rick Marzi as Vice President, Lisa Lavigne as Treasurer, and Michele Fischer as Class Secretary.

With the encouragement of their advisor, Mr. LaRiviere, the nervous freshmen dressed up as babies on Initiation Day. Both Freshmen and Seniors enjoyed the day, and the class of '82 was officially accepted into the Berlin High School "family." Senior Court session and a welcome dance ended the festivities that evening. The Freshmen hope that Initiation will be kept as a tradition throughout their high school years.

The Freshmen showed their spirit by using "Buos Bunny" as their theme for spirit week and by decorating the main lobby with familiar cartoon characters. Later in the fall, Kelly Lamb was chosen as the Freshman attendant for Homecoming.

A farewell breakfast for the Seniors and a May dance ended a busy and successful year for the Freshman Class.

The class of 1981 advised by Mr. Brittingham was led this year by class officers President Tina Simeone, Vice-president Rich Zovich, Secretary Brenda Stabert, and Treasurer Anne St. Amand.

The sophomores decorated the halls around the girls' gym using the theme of the movie "Grease" during spirit week. During Homecoming festivities, Sue Kristopik was elected the sophomore attendant to the queen's court.

Special class activities began during the Christmas season with a food collection for needy families. In the Spring the class held a dance in March, a car wash in April, and a spring candy sale. The sophomores ended the year by ordering class rings.

Juniors

Under the advisanship of Mrs. Chichester, the class of 1980 was led this year by officers President Mike Klein, Vice President Janet Brochu, Secretary Peggy Bovee, and Treasurer Shelly Zipadelli.

The Junior Class launched their fund raising activities with their first booth at the Berlin Fair. This money was raised to help pay for their long-awaited Junior Prom in March.

Junior school spirit was evident in the cafeteria halls of Berlin High School during spirit week, when cartoon decorations adorned the walls. Still later in the fall sports season, Jill Parsons was elected Junior Homecoming attendant.

When the juniors received their class rings in October, the traditional ring turning craze was on. Each junior tried to have their ring turned eighty times before the end of the school day.

In March the Junior Prom was held at the Glastonbury Hills Country Club. Careful class planning assured a perfect evening of delicious food, fine music and dancing, and enjoyable company. At the close of the 1978-79 school year, juniors began to seriously think about careers and colleges and to anticipate the fun of being a senior.

*Our initial purpose here
is to be educated.
Yet in our time spent with each other
We accomplish much more.*

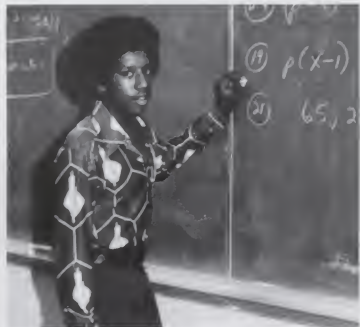

*Together
We laugh, cry;
We win.
We lose.
We know both frustration
And accomplishment.*

*All we share
Brings us closer.
But time
Keeps moving each of us
Along his own path.*

*Now we are all
Walking together.
But we will feel a parting
And must be prepared
To go our own ways.*

*Maybe we want
To hold on to our high school years.
But we know
That we can only enjoy these times once.
And that it is foolish
To remain the same.*

Freshman Year

Our first year at Berlin High began in confusion, as we tried to find our way through the new addition and the on-going construction. We were officially initiated into Berlin High as sheiks and bellydancers with all of the lipstick, whipped cream, singing, and pranks that orientation entails. Amid all of the excitement and changes of our freshman year, Acting Principal Mr. Donald Delisle was replaced by Mr. George Cleaveland.

As Homecoming closed the football season, Laurie Adams was chosen freshman attendant. Under the leadership of freshman class officers Mark Vartanian, Frank Sataline, Greg Nied and Leslie Young the class sponsored two successful money raising efforts, the traditional magazine drive and freshman dance. At the end of the school year we said goodbye to the seniors at a fifties' breakfast

Miss Cynthia Sieracki is the class of '79's first advisor.

Sophomore Class Officers: Seated: Vice President Peggy Fagan and President Frank Sataline. Standing: Treasurer Leslie Young and Secretary Ed Scheer.

Sophomore Year

After a year's experience in high school, we returned with elected officers Frank Sataline, Ed Scheer, Peg Fagan and Leslie Young leading the class activities. Our first class effort was selling Berlin Red-coat buttons during the fall sports season. This fund raiser brought much spirit to the school and to the sports teams.

Tracy Bernard was elected sophomore attendant for the Homecoming festivities. More school changes took place with Mr. Cleveland's resignation as high school principal and Mr. Delisle's appointment as acting principal.

In the spring we sponsored a sophomore dance featuring the band "Nemesis." As a very hectic year ended, we looked forward to being upperclassmen in the fall.

Junior Year

Our junior year was one of great excitement. The time had finally come to think seriously about college and career choices. Frank Sataline, Ed Scheer, Beth Kucharczyk and Leslie Young led the class with a new advisor, Mr. James Day.

Our first junior class fund raising project was a tag sale. This fund raiser was quickly followed by our Berlin Fair booth.

Later in the fall Robin Bickley was elected junior homecoming attendant. In October we received our class rings. Shortly before Thanksgiving principals were again changed, and Mr. Thomas Galvin was hired as Berlin High's Chief Administrator.

In the spring our long-awaited Junior Prom was held on March 10, 1978, at the Knights of Columbus Hall in Meriden. The theme of the prom was "Always and Forever."

At the close of our junior year, we looked forward to our senior year and its special privileges.

SENIOR YEAR

Under the leadership of President Frank Sataline, Vice-presidents Ed Schoer and Nancy Gontarz, Secretary Beth Kucharczyk, and Treasurer Leslie Young, senior year began smoothly. During orientation the freshmen "babies" obeyed senior orders. Another senior success was winning the Spirit trophy with the "Disney" theme.

The fall season involved a great deal of hard work in managing both the Berlin Fair booth and the refreshment concession at Sage Park during home football games. At times seniors were so busy that generous parents helped cook hot dogs and pour soda for hungry sports fans. Homecoming arrived quickly, and the class elected Debbie Berger as queen and Leslie Young as senior attendant.

The year came to a close with the Senior Ball held on June 1, 1979, at the Sheraton Hotel. Final class activities included a senior farewell breakfast given by the freshman class, distribution of class awards and scholarships at Awards Night, and distribution of yearbooks and caps and gowns on Class Day.

Karen, Mark and Deb are the Senior Court judges.

Once again Harrison's words "All Things Must Pass" prove true. I only wish we could have overcome the fussing and fighting in order to retain the love and laughter. FRIENDSHIP

Seems like yesterday

When we met and exchanged names.

Now it's time to part.

Cathy A. Scarfe

The morning sun's welcomed rays
Flood the sky with warming illumination
And awaken the sleeping earth
To a day of freedom and reflection
And horses running in an open field

Afternoon's sun, glowing in the sky,
Sends golden beams to touch
The day that is left to spend
With dreams and hopes racing
As millions rushing across the plains.

Evening's sunset cool strong dreams
And searchers searching for shelter.
And those who are the harbingers of night,
And those who are the sky
And those who are the sky

When night has come,
All that is left are memories
Of days and dreams gone

Mr. Day,

When you first became our class advisor two years ago, you told us that you would help us to make decisions but would not make decisions for us. Any successes or failures that we experienced would be our own responsibility. Indeed this has been the case. You have provided us with your careful guidance. Our successes have been many, and our failures few.

You saw us through major class activities, such as Junior Prom, Berlin Fair booths, Senior Ball, and all of our other projects. Your concern for our class as well as your devotion to your teaching and sports activities have been an inspiration to those who know you well. It is our hope that you have many fond memories of the class of '79 as we have of you, our class advisor.

Love,

Some seniors relax in senior court.

Although many student activities are not academically oriented, studying is still a widespread practice. The hours in school are not all spent in jest, and the majority of students are in Berlin High School to learn.

Initiation has been a longstanding tradition at Berlin High School. Seniors welcome freshmen through the practice of various rites.

A Pep Rally sparks the Berlin High Redcoats into a victorious season. Each class chooses a theme and competes against the others for the Class Spirit Trophy.

The Berlin Redcoats take pride in themselves and in their school. During Spirit Week the halls are gaily decorated and exemplify the spirit of the entire student body.

At football games entertainment is provided during half-time by the Berlin High School Marching Band. This student organization, including the Drill Team and the Color Guard, performs commendably at every game.

Before every home basketball game the cheerleaders prepare to spur their team on to a victory. The captain of the Redcoats leads the team through the hoop to begin another exciting game.

The Berlin High Redcoats have always been proud of their teams. Basketball is just one of the various sports which draws many students as participants and as spectators.

The hard-working Redcoat football team awaits the start of the game and is encouraged by the cheerleaders.

As time goes by . . .

The long winding road leads to anywhere,
The dead fallen leaves pass by,
The darkness brings a fear
But, do not ask me why.

The world out here is kind of large,
The people carry smiles.
I really think I will get far
Even though it'll take a while.

Through the years I've met some friends
That never let me down.
They would always have a hand to lend,
And never turn around.

The thoughts, the pains, the happiness
Shared through out the years,
The smiles are something I'll really miss
When they're no longer near.

So let's not forget each other
As the years grow old with time.
We'll each call one another,
To make sure we're doing fine.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998. The public sector has become a major employer in the UK, and its growth has been a key factor in the overall growth of the economy. The public sector has also become a major provider of social services, and its growth has been a key factor in the overall growth of the economy.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on the following principles:

- Older people should be able to live independently and actively in the community.
- Older people should be able to access the services and facilities they need.
- Older people should be able to participate in the decisions that affect their lives.
- Older people should be able to live in a safe and secure environment.

The strategy also sets out a number of key objectives, including:

- To improve the health and well-being of older people.
- To improve the housing and living conditions of older people.
- To improve the transport and accessibility of services for older people.
- To improve the social and cultural life of older people.

The strategy is a key document in the development of policy for older people in the UK. It provides a framework for the development of services and facilities for older people, and sets out the government's commitment to improve the lives of older people.
